WAFFER ROLLS

Wafer rolls is an exclusive product for Russia. High-quality raw materials are used so that this crispy product has an excellent taste. Wafer rolls of the «Uslada» confectionery plant are made using the Austrian equipment «FRANZ HAAS».

Wafer rolls «Kot Fedot»

Crispy, bright and delicious wafer rolls have an attractive golden watering with assorted tastes and aromas.

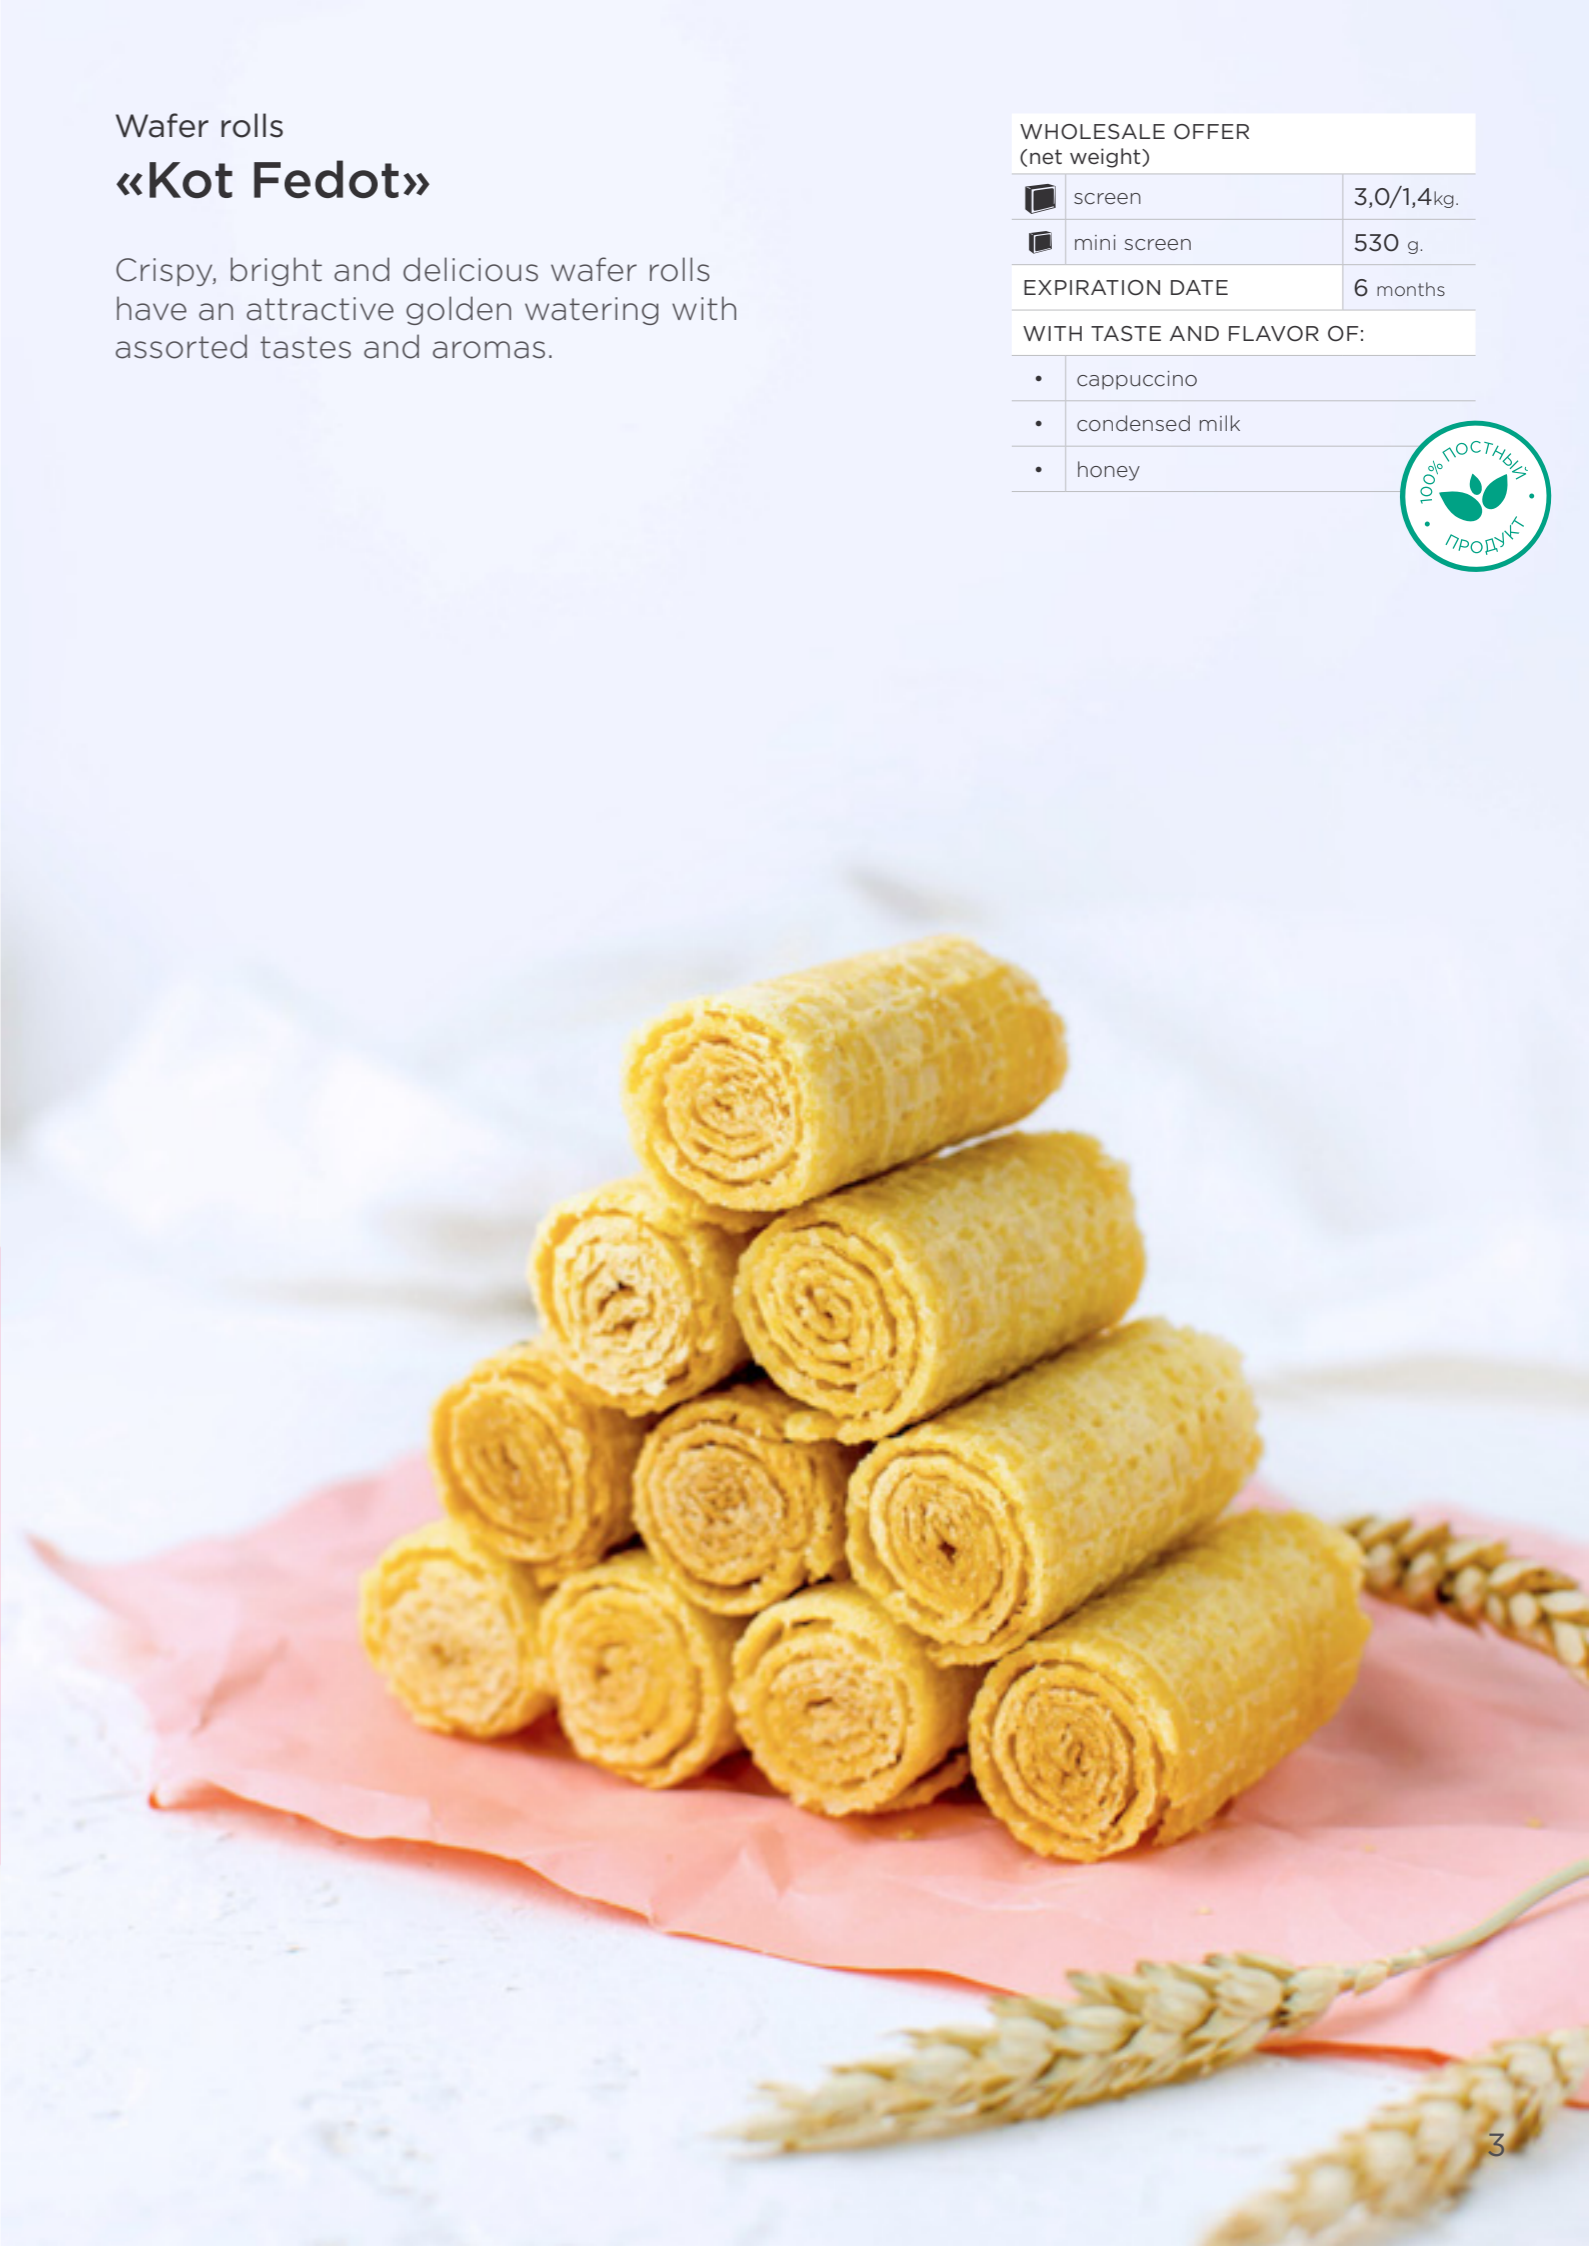

WHOLESALE OFFER (net weight)

screen	3,0/1,4kg.
mini screen	530 g.

EXPIRATION DATE 6 months

WITH TASTE AND FLAVOR OF:

- cappuccino
- condensed milk
- honey

Wafer rolls
«Piccolo»

A gentle and lightweight lean waffle roll for those who care about their figure.

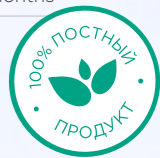

WHOLESALE OFFER (net weight)	
screen	2,5 kg.
mini screen	500 g.
EXPIRATION DATE	6 months

Glazed wafer rolls
«Amurchiki»

The excellent combination of rolls with glaze is a real treat for connoisseurs of taste.

WHOLESALE OFFER (net weight)	
screen	3,5 kg.
mini screen	650 g.
EXPIRATION DATE	6 months

WAFFLES

In the production of wafer sheets, we use premium grade wheat flour and eggs, which gives the product a more porous structure and improves taste characteristics. Wafer filling is based on high quality vegetable fats. It consists exclusively of natural dairy products and other ingredients (depending on the assortment). Wafers made by «Uslada» confectionery do not contain preservatives.

Classic waffles

multilayer

Airy and tender filling between thin wafer sheets which have a small section. We have a wide range of flavors and are able to develop any taste and aroma according to customer's request.

WHOLESALE OFFER (net weight)

 screen	2,5 kg.
 corrugated box	5 kg.

EXPIRATION DATE	12 months
-----------------	-----------

WITH TASTE AND FLAVOR OF:

- cream
- condensed milk
- baked milk
- cream and chocolate
- chocolate
- lemon
- peanut
- halva and etc.

Waffles

with a large cross section

A distinctive feature of these wafers is that the wafer sheet has a large section, which not only gives the product an attractive appearance, but also makes the wafers porous. The range includes dark and light wafer sheets.

WHOLESALE OFFER (net weight)

screen	2,5 kg.
corrugated box	5 kg.
EXPIRATION DATE	12 months

WITH TASTE AND FLAVOR OF:

- cream
- chocolate
- coffee
- strawberry
- lemon

APPEARANCE

- light wafer sheet
- dark wafer sheet

Waffle sandwich

with a large cross section

A distinctive feature of a waffle sandwich is that it has five layers and consists of three sheets and two layers of filling. For the production of a waffle sandwich with halva, natural sunflower halva is used. Natural cocoa and dried dairy products are used for the wafer sandwich fillings with the taste and aroma of walnut and cream.

WHOLESALE OFFER (net weight)

corrugated box	4,5 kg.
EXPIRATION DATE	12 months

WITH TASTE AND FLAVOR OF:

- halva
- nuts
- cream

SUGAR COOKIES

One of the latest developments of the «Uslada» confectionery plant is an assortment of sugar cookies. Using different types of rotors allows you to produce cookies of different types. Our sugar cookies are made on high-tech equipment using high-quality raw materials that do not contain preservatives or GMO products.

Sugar cookies

«Creamy» and «Milky»

Traditional sugar cookies have a pleasant taste and flavor.

MARSHMALLOW

The confectionery plant «Uslada» produces high-quality glazed, unglazed marshmallows and also marshmallows containing various fillings since 1999. Our marshmallow is a product without preservatives and GMOs.

Marshmallow

unglazed

Marshmallow from the «Uslada» confectionery is a handmade product and that distinguishes it favorably and significantly differs from competitors, making it airy, soft, melting in the mouth, really tasty and unusual. Applesauce and pectin contained in marshmallows have beneficial effects on the body, making our airy delicacy equally popular among children and adults, as well as among those who closely monitor their figure.

WHOLESALE OFFER (net weight)

screen	3 kg.
mini screen	640 g.
EXPIRATION DATE	6 months
