FOOD TRAILERS BY RETROTRUCK

YOUR START IN THE GASTRONOMIC BUSINESS

ADVANTAGES OF A FOOD TRAILER

- Low entry barrier vs. a restaurant
- Fast payback period
- Mobility in location selection
- 24/7 advertising for your business
- Healthy investment-to-return ratio

CARPE DIEM

Your food trailer moves at speed up to 70 km/h. Always be where the money is NOW

- Morning. Business center. Coffee and sandwiches.
- Day. Construction site. Set lunches.
- Evening. Embankment. Burgers and salads.
- Weekends. Festival or wedding. Beverages.

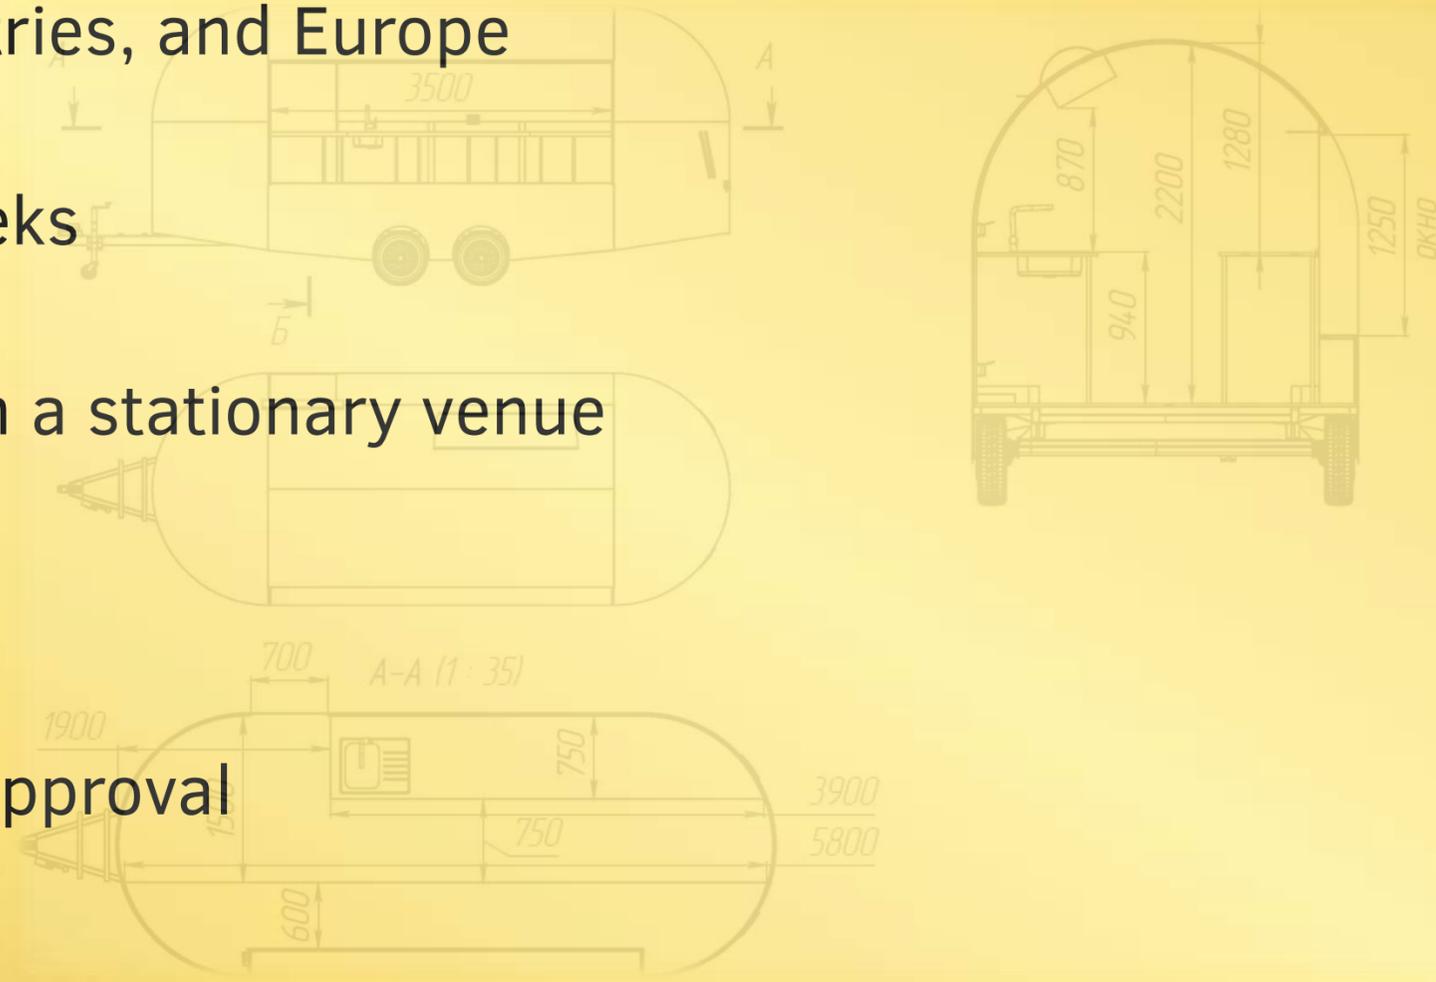

HOT CLIMATE

Air conditioning cools the workspace in the heat; insulation keeps you cool inside allow comfortable work

RETROTRUCK

- Full cycle: from blueprint to finished vehicle with a Vehicle Passport
- Hand-assembled with attention to every detail
- Our food trailers operate in Russia, CIS countries, and Europe
- Fast: from order to launch in as little as 2 weeks
- Cost-effective: cheaper and more mobile than a stationary venue
- High recognition: vibrant design
- Legal: manufactured based on Vehicle Type Approval
